## experiences

Wildfire Creative - Graphic designer (6 months)	At the moment I am currently working with Wildfire Creative graphic design agency as a freelance graphic designer, working with experienced designers on a mix of digital and print projects.
Maxwell's Marketing - Marketing Assistant (18 months)	I worked for the Maxwell's group for 18 months in there in-house Marketing department, with the responsibility of increasing brand awareness through Print and digital graphics. This experience gave me a solid understanding of creative graphics and how to tackle its many challenges.
The Roadhouse - Department Manager (4 years)	As a manager I was responsible for three very busy departments, and ensured our guests had a memorable experience, I also worked with the marketing team on project implementation for promotional projects.
Whitbread Plc (Head office) - Event organiser (1 year)	I was fortunate to be given the opportunity by Whitbread Plc to run and judge their T.G.I.'s 'Best bar' competition. This involved me travelling the uk organising events, promoting and marketing the T.G.I.'s brand.
